Qualification overview

This qualification forms part of the QA Education and Training suite of qualifications. The qualification and learning outcomes are based on the National Occupational Standards for Learning and Development.

This QA qualification is designed to provide Trainee assessors with an understanding of the principles and practices of assessment.

This qualification specification provides information for Centres about the delivery of the Qualsafe Level 3 Award in Understanding the Principles and Practices of Assessment (RQF) and includes the unit information, assessment methods and quality assurance arrangements.

Objective

The objective of the qualification is to benefit Trainee assessors by enabling them to attain the knowledge and understanding of the principles and practices of assessment without any requirement to practice as Assessors. However, it may qualify Trainee assessors to perform the role of Assessor for some qualifications. It will help the Trainee assessor to build an understanding of the principles and practices of assessment and how to assess vocational skills, knowledge and understanding.

Intended audience

This qualification provides the knowledge, skills and understanding for anyone looking for an introduction to the principles and practices of qualification assessment. It may also be suitable for those performing the role of Assessor for certain vocationally related qualifications. Check suitability with the Awarding Organisation. Trainee assessors might include individuals who currently work in a mentoring/teaching/training capacity wanting to develop their knowledge and skills of assessment

Structure

This qualification contains 1 mandatory unit with a Total Qualification Time (TQT) of 30 hours. Full details of this unit is in the *Appendix*.

Trainee assessors must complete all assessments in the units successfully within the registration period to achieve the qualification. The maximum period to achieve this qualification, including any referrals is 12 months.

TQT is the total number of hours required for a Trainee assessor to achieve this qualification. It has 2 elements:

- Guided Learning Hours (GLH) is the time a Trainee assessor is being taught and assessed under the immediate guidance of a Trainer/Assessor, which for this qualification is 24 GLH (minimum), and
- The number of hours a Trainee assessor will reasonably be likely to spend in preparation and study as directed by but not under the immediate guidance or supervision of a Trainer, e.g. pre-course reading, workbook completion which for this qualification is 6 hours

Relationship with other related qualifications

This qualification links closely to other assessment-based qualifications, as identified in the diagram below:

Recognition of Prior Learning (RPL)

Recognition of Prior Learning (RPL) is a process for recognising any learning undertaken and/or assessments attained by a Learner. The Learner must prove they have met some or all the learning outcome and/or assessment criteria for this qualification before RPL can be considered.

Any evidence submitted as RPL must be valid, authentic, reliable, current, sufficient and specific.

In some cases, Centres may need to produce mappings against QA learning outcomes and assessment criteria to confirm comparability of qualification certificates and/or evidence being submitted. Mapping templates created by QA must be used for this process. Please see the QA Recognition of Prior Learning (RPL) Policy for further details.

RPL is considered for this qualification with the following potential outcomes:

- Reduction or exemption of learning outcomes or Guided Learning Hours
- Exemption of all assessments for the unit

RPL for this qualification **must** be approved by QA prior to implementation. Note: Charges may apply.

Entry requirements

Trainee assessors must be at least 19 years old on the first day of the training.

There are no other formal entry requirements but to benefit from the learning we advise that Trainee assessors have a minimum of Level 2 in literacy or equivalent.

Progression

The Qualsafe Level 3 Award in Understanding the Principles and Practices of Assessment (RQF) may support progression with training into the area of internal quality assurance, example qualifications include:

- Level 3 Award in Assessing Competence in the Work Environment (RQF)
- Level 3 Certificate in Assessing Vocational Achievement (RQF)
- Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice (RQF)
- Level 4 Award in Understanding the Internal Quality Assurance of Assessment Processes and Practice (RQF)
- Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice (RQF)

Requalification requirements

It is not a requirement for Trainee assessors to renew this qualification, however we recommend they keep up to date with current practice in assessment through regular participation in continuing professional development (CPD).

- Have appropriate policies, systems and procedures in place
- Appoint suitable individuals from their personnel team to train, assess and quality assure their QA qualifications, and

Course/Centre administration

Registering Trainee assessors

Register Trainee assessors with QA in accordance with the guidance in the *QA Centre Handbook*.

Certification

After a Trainee assessor has completed an assessment, unit or qualification, whether they have passed or not, Centres must enter the details and assessment results on the QA Customer Portal at: www.qualsafeawards.org

Centres will be given login details and guidance on using the QA Customer Portal when they are approved to deliver a QA qualification.

The Trainee assessor receives a certificate on achieving this qualification.

The certificate date is the date the Trainee assessor achieves the final unit.

QA have developed a verification tool that means the validity of every certificate can be verified online. This verification tool can be found on the QA website.

Delivery and support

Trainee assessor to Trainer ratio

To maintain the quality of training and assessment, make sure the class ratio is no more than 12 Trainee assessors to 1 Trainer.

Note: You should never allow more Trainee assessors on the course than you can cater for during the assessment.

Delivery plan

Centres should consider the mode of delivery (full time, part time, evening, blended learning, etc.).

Qualsafe Awards provides Centres with a complimentary course programme and detailed lesson plans, which are carefully designed to meet the objective of this qualification and the needs of Learners, making sure Learners are adequately prepared for the assessments.

Qualsafe at Home

This qualification can be delivered online using a virtual classroom. Further details about the requirements for delivering a Qualsafe at Home course are available to approved Centres in the 'Centre downloads' section of their QA Customer Portal. All Centres must seek approval for remote training by completing the *Qualsafe at Home Centre Application*. All Centre staff involved in the remote delivery and/or assessment for this qualification must read and understand all guidance and requirements in advance of delivery.

Learning materials

Centres must provide each Trainee assessor with access to suitable learning materials to support their progress through the qualification.

Ongoing support

QA Centres should provide appropriate levels of support to Trainee assessors throughout the qualification. The purpose of the support is to:

- Assess knowledge and competence in relation to learning outcomes and the detailed assessment criteria of the units within the qualification, see *Appendix*
- Give Trainee assessors feedback on their progress and how they might be able to improve

Assessment

Methods

Qualsafe Awards has devised externally set, internally marked assessment tools to make sure Trainee assessors are assessed against the required knowledge, skills and understanding, as detailed in the learning outcomes and assessment criteria shown in the *Appendix*. For this qualification the assessment methods are:

- 1 x Trainee Assessor Workbook: theory tasks supporting the underpinning knowledge contained within the unit

Note: Centres should download the Trainee Assessor Workbook (1 per Trainee assessor, per course) from the QA Customer Portal in advance of the course. The **uniquely** numbered Trainee Assessor Workbooks give each Trainee assessor a unique identifier for our computer systems.

There are 2 possible grades available of Pass or Fail. All areas of assessment must individually meet or exceed the required pass criteria/mark for the Learner to achieve this qualification.

Centres should provide each Trainee assessor with the QA supplied assessment materials.

Access to assessment

Qualsafe Awards is committed to equality when designing the assessments for this qualification. Centres can make sure they do not unfairly exclude the assessment needs of a particular Learner by following the QA *Access to Assessment Policy* to determine whether it is appropriate to make a:

- Reasonable adjustment or
- Special consideration

When a reasonable adjustment is made or requested, e.g. written or theory assessment delivered verbally, Centres must complete a *Reasonable Adjustment Form* and send it to QA with any relevant supporting evidence. Centres should retain a copy of this form for their own records.

Learners may be eligible for special consideration if they have been affected by adverse circumstances beyond their control. A *Special Consideration Request Form* should be completed and sent to QA for consideration along with supporting evidence prior to implementation. Centres should retain a copy of this form for their own records.

Note: If you have any suggestions for improvements, please let us know.

Trainee assessors should be informed about the Centre's and QA's appeals and complaints procedures and how they can access these. Information about these procedures can be found in the QA *Training Commitment* which should be presented to Learners during their course.

Quality assurance

Centre internal quality assurance

The Centre is required to sample a reasonable amount of assessments as part of the quality assurance of the qualification. This standardisation of assessment across Learners and Trainers is to make sure there is fairness and consistency in assessment practices. Centres are required to adhere to QA's internal quality assurance requirements. Further details can be found in the QA *Centre Assessment Standards Scrutiny (CASS) Guidance*.

Centres must retain all Learner documents and records for a period of 3 years and make sure these are available for review by Qualsafe Awards or our representatives, e.g. External Quality Assurers (EQAs), on request.

Qualsafe Awards external quality assurance

Qualsafe Awards operates a system of ongoing monitoring, support and feedback for approved Centres.

QA employs a risk-based model to decide the frequency of external quality assurance activity.

Further details of the QA external quality assurance programme are available in the *QA Centre Assessment Standards Scrutiny (CASS) Guidance*.
